This Shipping Policy explains how we process, ship, and deliver your orders. By placing an order, you agree to the terms below.

2. Shipping Destinations

We currently ship within the United States only. We do not offer international shipping at this time. Orders with a shipping address outside the United States cannot be fulfilled.

Please make sure your shipping address is complete and accurate, including street address, apartment or unit number, city, state, and ZIP code.

3. Shipping Options and Delivery Times

Standard Shipping: 5-7 business days. Standard shipping is free on orders over \$50.

Express Shipping: 2-3 business days. Express shipping costs \$9.99.

Delivery times are counted in business days after the order has been processed and shipped. Business days are Monday through Friday, excluding public holidays. Delivery times are estimates and are not guaranteed.

4. Shipping Costs

Standard shipping is free on orders over \$50. For orders of \$50 or less, standard shipping charges are calculated and shown at checkout before you pay.

Express shipping costs \$9.99 for any order. The shipping cost is displayed at checkout before you confirm your purchase.

5. Order Processing

Orders are processed within 24 hours on business days. Orders placed on a weekend or public holiday are processed on the next business day.

Once an order enters processing, it cannot be modified. Orders can be changed or cancelled within 1 hour of placing them. After that, the order has already entered processing.

6. Tracking Your Order

You will receive a tracking number via email once your order ships. You can use this tracking number on the carrier's website to follow your package until it is delivered.

If you do not receive a tracking email, please check your spam or junk folder. If you still cannot find it, contact support with your order number.

7. Delivery Problems

Delayed packages: If your package has not arrived after the estimated delivery window, first check the tracking information. If there is no update, contact support with your order number.

Incorrect address: If you entered the wrong address and the order has not yet entered processing, contact support within 1 hour of placing the order. After that, the address cannot be changed.

Damaged or incorrect items: If your order arrives damaged, defective, or incorrect, contact support with your order number. Under our Return Policy, return shipping is covered by us in these cases.

Lost packages: If tracking shows that your package was delivered but you cannot find it, please check with neighbors and household members, then contact support.

8. Shipping and Returns

Returns are accepted within 30 days of purchase if the item is unused and in original packaging. Shipping costs for returns are covered by the customer unless the item was defective or incorrect. Refunds are processed within 5-7 business days after we receive the returned item. See our Return Policy for full details.
